

Surgical Microscope Service & Repair

Specialists Since 1997

Surgical Microscope Service & Repair

EXPERT-LEVEL TECHNICAL SUPPORT & REPAIR

- DB Surgical's factory-trained service technicians are the only Leica-certified repair specialists in the Southeast with the ability to:
 - Service microscopes manufactured by Leica, Zeiss, and others
 - Offer immediate phone support for technical issues
 - Arrive on-site within 24 hours upon request
- We also offer:
 - A complete selection of parts and supplies
 - As the only authorized provider of original Leica replacement parts in the Southeast
 - Foot pedal Repair / Exchange programs designed to:
 - Increase equipment uptime
 - Reduce maintenance expenses

PREVENTATIVE MAINTENANCE PLANS

- Keep your microscope operating properly with our preventative maintenance plans
- Our Leica-certified service technicians will conduct a 25-point system maintenance inspection to:
 - Ensure equipment adheres to current factory specifications
 - Thoroughly clean, lubricate, and identify alignment issues
 - Ensure complete confidence during surgical procedures
- Each visit comes with a comprehensive maintenance report
